ABOUT ME

Highly motivated and adaptable professional with hands-on experience in administrative coordination, event management, and IT support, complemented by strong technical skills in graphic design, web development, and video editing. Known for a proactive, customer-first approach, clear communication, and the ability to manage multiple responsibilities under pressure. Committed to bringing dedication, creativity, and a strong work ethic to every role.

WORK EXPERIENCE

IT & Administrative Support Assistant

Safeer Academy | 12/10/2025 – 10/5/2026 | Chattogram, Bangladesh

- Welcomed and assisted students, faculty, and guests, ensuring a positive, helpful, and professional environment.
- Coordinated and managed various events, ensuring smooth operations, logistics, and high satisfaction levels.
- Handled day-to-day administrative tasks, documentation, and organized filing systems.
- Provided end-user support and efficiently resolved queries with a customer-first approach.
- Developed and maintained custom software solutions and internal management tools to streamline administrative workflows, improve efficiency, and reduce manual documentation processes.
- Designed and created professional graphics, promotional materials, and visual content for events, communications, and institutional branding, ensuring consistency and visual excellence across all platforms.

IT & Support Assistant (Intern)

Daffodil Institute of IT | 01/07/2024 – 06/03/2025 | Chattogram, Bangladesh

- Supported daily campus operations and assisted in organizing academic and extracurricular events.
- Managed document printing, physical file organization, and general administrative duties.
- Worked closely with team members to maintain a clean, organized, and welcoming environment for all attendees.
- Created compelling graphic designs, digital assets, and marketing collateral for institutional events and communications, enhancing visual branding and audience engagement.

Event & Team Coordinator

WhizBD | Chattogram, Bangladesh |

- Led coordination for local quizzes and community events, managing attendee flow and general logistics.
- Collaborated with a diverse team to deliver successful and engaging events under tight schedules and pressure.
